SORCES, AMONG THE CHINESE .- W. noticed about two days ago quite a hubbub smong our Chinese residents while passing through their quarters, which attracted our attention, and as near as we could ascertain from the broken English of a Mongolian standing near by, a great doctor and juggler had arrived among them who was gifted with great powers from his majesty "Josh" to such an extent that any Chinese man or woman stricken with countable ailments he was able to cure in a very short time by shap y pronouncing some incantations and springling a cer some incantations and springling a cer tain powdered herb over them. could make them dance, sing, and cut all sorts of auties, and apparently be un-der his perfect control. They would bow to him, pull their cues, and act in the most nons usical manner imaginable. We cannot better describe the Chinese doctor's performances than by calling it vondouism, which is pecular to the blacks through the South.

COMING AND GOING. - Sentimentalists may say what they please about the sorrow of parting with friends, but then this would be a stupid world if everybody stayed in the same place all the time. People on the Pacific Coast are proverbial for their proposity to travel, either in furtherence of business or for pleas in furtherence of business or for pleasure. Among the arrivals from Salt Lax, given in to day's paper, are D. W. Perley, Esq., Mr. and Mrs. D. Wilkin, alsof whom are gually welcowed to Procheby many friends. Several of our citizens have denoted by the West. z as have departed for the West, taking the Hamilton stage Sunday morning: Louis Felsenthal, Jonas Cohn, L. Werthemier, H. Lagrue and M. Meshan They will return to Pioche again aft r brief absense.

HON. THOMAS FITCH, ex-M. C. from Nevada and U. S. Senator elect from the embryo State of Deseret, arrived yesterday morning from Sait Lake. He is looking remarkably well - apparently never having encountered a defeat in his whole life. Mr. F teh is largely engaged in actual enterprises in Rocky District, Utah, and is on his way to Hamilton to inspect Wren's concentrator, with a view its introduction into his own mines. He will remain here until Thursday.

SENT TO VIRGINIA CLEY,-As before stated, Morgan Courtney was arrested in the Court House just after his discharge on the charge of murder for the killing of Sallivan. He was sent back to his cell, where he remained until Sunday evening, when he was taken in a buggy by D-puties Condon and Brannon and started on his way to Virginia City. The arrest was made on a warrant from Storey county, charging him with killing a man in Virginia some years ago.

COMMON PLATFORM.—Yesterday workmen erected a suitable platform on Main street, in front of Clancev's saloon, for the use of speakers of both parties, where all who desire to enlighten the masses upon political subjects may "orate" to their hearts' content. This platform h s been creeted through the joint efforts of Messrs. C. H. Beckwith and James P.e.-

Gas .- A meeting of citizens was held last evening to consider the propriety of introducing gas into the city. The call not being generally understood the attendance was not large, and an adjournment was bad to 8 o'clock this evening at the Desert Telegraph office. An attendance of householders and business men is requested.

THE DAILY PROCEE REVIEW. - The first number of this new daily appeared yes terday afternoon—Kenyon & Co., publishers and proprietors; Jo Wasson and F. Kenyon, editors. It is just the sizthe Record was before the enlargement, and makes a creditable appearance. It is a Grant and Wilson paper.

GRAND JURY REPORT. - Owing to the late hour on Saturday at which we obtained the Grand Jury report for the late term, we were unable to give more than a synopsis of it. To-day, however, we present the document in full. It will be found on our first page.

By Pritchard's Fast Freight Line yesterday P. O'Connor, contractor for the plastering of the Court House, received four bales of Eastern hair to be used in executing his contract. Mr. O'Connor will begin work as soon as the other ma-terials are received, which will be in a

few days. Coot. - For a day or two past the temp rature has been such that it seemed as though the mercury in our thermome-ter was trying to reach bed rock. Ta-

weather has caused the disuse of linen clothes, and name warmer clothing Going .- Friend John Cabill takes his

departure this morning to be absent a short time. In fact, he can't stay away from Pioche a great while, and we can't spare him long.

Wilson & Solomon, dealers in Stationery, Cigers and Tobacco, Fulks & McAlpin's saloon, Meadow Valley street. Also a Circulating Library. 8e24

BAKER'S CASE .- A jury in this caseassault and battery—was sworn in yes-terday, and the case is now on trial.

Excused .- All jurors summoned to attend on the District Court are excused until Monday, the 7th of Outobes.

Died.

FENN—In Ploche, Nev., Sept. 23, 1872, Joseph Larry, infant you of John B. Fenn.
